Week of Accompanied Prayer: 5th- 13th October, in the Crypt

The Invitation of the Week

To set aside time and space to reflect on God in your life. To explore ways of praying which are helpful to you. To have opportunity for a retreat in daily life.

What happens?

Each day you are encouraged to set aside up to 30 minutes on your own for private prayer time, using the focus of a short passage of scripture. Each day Monday - Friday, you will meet with your Prayer Guide in the Crypt for around 30 minutes, to reflect together on your prayer time. Your Prayer Guide is there to listen to your reflections and to suggest a focus for your next prayer time. There will be suggestions of different traditional ways of praying, which you may or may not be familiar with. We are very aware that each of us is different, and some may never have spoken about their faith journey with another. This event will be very relaxed, with no pressure for people to do anything they are not comfortable with. All conversations are kept confidential. This is a free event, but donations are gratefully received. Coordinator: Janet McDonald, janet.mcdonald@btinternet.com

Thursday 31st October 2024: Journeying Together: an Intergenerational Pilgrimage and exhibition workshop

As part of our theme of 'Journeys', and in support of our Cross-Currents exhibition, you are warmly invited to join us for a pilgrimage to Canterbury Cathedral. Suitable for all ages, you can make your pilgrimage as long or as short as you wish - a gentle stroll from Westgate Gardens or the full 10 miles from St Mary's Church, Chilham; half an hour or half a day. We will start our pilgrimage in Wye, with stops where you can join us along the way (please see below for locations, times, and terrains). The most accessible sections are from St Mary's Church, Chilham to the train station, along the River Stour to Westgate Gardens, and on to the Cathedral. There's something for everyone. Alternately, you can hop on the train and walk just a section, but please do join us in whatever way suits you. We also invite you to gather natural items along the way to mark your journey. At the end of the pilgrimage, you will then have the opportunity to participate in a workshop with Frances Carlile, the artist behind our Cross Currents exhibition to craft these items into your own unique boat, which will be added to the larger fleet inside the Cathedral as a symbol of your day's pilgrimage and the longer journey of life.

Open Home - Sat 5th October 10am-4pm, Sun 6th October 12.15-4.00pm

David Monteith, David Hamilton and Barney the Lurcher have moved into a section of the Deanery. They will host an 'open home' for people from the Cathedral community to visit the refurbished Deanery. Cups of tea/coffee will be provided by Cathedral Lodge including post-eucharist refreshments. We hope that people will enjoy a visit to the Deanery and in return we ask for generous donations which will go towards the Friends of Canterbury Cathedral. The restoration this far has been funded by grants from The Friends and The Cathedral Trust. We are aware that there is much more work still to be undertaken to conserve and renew the Deanery and to bring it into wider use. Please note that it is a personal home and that universal disabled access is not available. No parking is available on site for this event.
