Why become a Chorister?

For children with a love of singing, there can be few more rewarding experiences than being a Chorister at Canterbury Cathedral.

Choristers benefit from a world-class musical education, and enjoy the opportunity to perform the greatest choral music ever composed to the highest standards alongside professional musicians in a UNESCO World Heritage Site of unparalleled majesty and beauty.

Many Choristers will participate in recordings for major record labels, will sing in services that are broadcast on national radio and television, and will sing at concerts in Canterbury and further afield at prestigious venues and high-profile festivals.

Choristers make lifelong friends with children who share their passion and enthusiasm for music. The Chorister experience teaches them the valuable skills of independence, organisation and dedication; it also boosts confidence and the capacity to work as part of a team. These are skills that will serve them in good stead, no matter what path they choose to pursue in later life. Choristers benefit from pastoral and emotional care, and support from the Cathedral's Music staff.

Many Choristers go on to hold choral and singing awards at leading universities. In recent years, destinations have included Merton College, Oxford; The Queen's College, Oxford; Clare College, Cambridge; King's College, Cambridge; St John's College, Cambridge; Trinity College, Cambridge; King's College London; Royal Holloway, University of London; Guildhall School of Music & Drama, London; Royal Academy of Music, London; Royal Conservatoire of Scotland.

Membership of the Choir is free. Additionally, Choristers receive financial support for singing lessons and Music Theory tuition.

For all enquiries about the Cathedral Choir, please contact us at music@canterbury-cathedral.org.

Who can become a Chorister?

There are two groups of Choristers: one of boys aged 8-14, and one of girls aged 12-18. These groups ordinarily perform separately, taking an equal share in the activities of the Choir and singing alongside adult professional singers, known as Lay Clerks.

Choristerships are open to children attending any school in the local area; there is no requirement to attend a particular school, or to board at the Cathedral.

Boys generally audition during the summer term whilst they are in Year 3 (aged 7-8), and join the Choir when they start in Year 4 (aged 8-9).

Girls usually audition during the summer term whilst they are in Year 7 (aged 11-12), and join the Choir when they start in Year 8 (aged 12-13).

The Director of Music, David Newsholme, is always happy to hear from prospective Chorister parents/guardians. You are warmly encouraged to contact him via music@canterbury-cathedral.org to discuss the opportunities open to your child.

The Director of Music is looking primarily for children with a love of singing, with a flair for performing, and with a good musical ear (i.e. an ability to recognise and imitate pitch and rhythm). Whilst previous experience of singing or playing a musical instrument is welcomed, it is by no means essential.

Auditions, which are informal in nature, generally last between 10 and 15 minutes. All prospective Choristers will be asked to:

- participate in a warm up;
- sing back pitches played to them on the piano;
- sing scales (no previous experience necessary);
- clap back a rhythm clapped to them;
- read out loud (not sing!) a passage from a book, which will be given to them in the audition;
- sing the first verse of the hymn O praise ye the Lord by C.H.H. Parry. Sheet music and words to help candidates prepare this hymn can be [downloaded here](#), and a recording of the hymn being sung at the Cathedral can be [viewed here](#). You can also watch our '[How to prepare for your Chorister audition](#)' video.

A conversation between Cathedral Music staff, the prospective Chorister and their parent(s)/guardian(s) forms the final part of the process.

All auditions take place at the Cathedral. Audition dates, together with an online application form, will be available at www.canterbury-cathedral.org/music. Candidates will be informed whether or not they have been successful within a few days of the audition taking place.

Leaving the Choir

Boys generally leave the Choir when their voices change, usually between the ages of 12 and 14. At this time, the Director of Music will hear the boy sing, usually two or three times, to assess the situation. Should it prove that a boy's voice has significantly changed, the Director of Music will discuss the situation with the boy, together with his parent(s)/guardian(s), and a decision will be taken as to when the boy will leave. Please be assured that these situations are handled as sensitively and carefully as possible.

Please note that, to ensure the safety of pedestrians in particular, the speed limit in the Precincts is 5mph. Should parents/guardians wish to drive into the Precincts, they will be asked for details of their vehicles before their son joins the Choir. Whilst parents are welcome to submit details of more than one vehicle, they should note that only one car per family should be parked in the Precincts at any one time.

Parents/guardians can request entrance by pressing the button and talking on the intercom to a member of staff at the Council; on the way out, they should be careful to wait for the green light to show. Please note that the Cathedral is in no way responsible for the operation of these bollards.

Attendance and absence

Boy Choristers are expected to attend all Choir commitments. However, we understand that this is not always possible, especially in the case of illness. Where there is such unavoidable absence, please contact Music Department staff at choirattendance@canterbury-cathedral.org giving as much notice as possible. The Chorister Attendance Policy can be viewed [here](#).

To support communication during rehearsals, services, trips, and other Choir activities, the Music Department has a dedicated Choir mobile phone: 07557 313102.

This mobile phone provides parents with a direct point of contact for operational matters that require prompt communication during Choir activities and enables the Choir team to contact parents where needed.

The Choir attendance email (choirattendance@canterbury-cathedral.org) should continue to be used to notify the team of absences.

Choristers in Year 7 and above who travel independently may use the Choir mobile phone to contact the Choir team if they are unexpectedly delayed whilst travelling to the Cathedral. Staff will not contact Choristers directly using the Choir mobile phone.

Chorister tea

Chorister tea is provided in the Song Room. This usually consists of sandwiches and cake. Parents/guardians will be invited to provide details of dietary requirements for their sons before they join the Choir. While tea is available from 4.00pm for those who want it, please note that attendance is not required until 4.30pm.

Music Theory sessions

Boy Choristers are offered group Music Theory sessions on Saturdays at 3.00pm during termtime in the Cathedral Archives. More information about this course can be found here: [https:// www.abrsm.org/en-gb/music-theory](https://www.abrsm.org/en-gb/music-theory)

The expectation is that all Choristers attend these sessions until they reach Grade 5 standard. These sessions are intended to expand the boys' understanding of, and confidence in, the theory of music; the sessions are essential in underpinning the boys' work in the Choir.

Singing lessons

Probationer Choristers receive singing tuition as part of their group sessions on Tuesdays and Thursdays.

Choristers are invited to claim up to £300 per term towards singing lessons with a teacher of their choice. A form is available on request from the Music Administrator.

Solos

Some of the music which the Choir sings contains passages to be sung by soloists, or groups of soloists. The Director of Music is responsible for ensuring that these solos are distributed appropriately, and that the level of challenge is suitable for the boys who sing them. He makes every effort to ensure that all boys are given adequate opportunity to develop their solo voice during their time in the Choir. Please note that the final decision for allocation of solos always rests with the Director of Music.

Clothes and robes

Boy Choristers are generally free to dress as they please when attending the Cathedral. However, please note that dark tights/socks and black shoes must be worn during services, and long hair should be tied back.

When performing with the Choir at Cathedral services, all singers wear purple robes, called cassocks, and white robes, called surplices. These are provided and maintained by the Cathedral; they are kept in a vestry at the Cathedral.
