FRIENDS' TALK GIVEN BY CANON TIM: 'Highly Spiced Novelties'? The Anglican Church in All the World. Canon Tim has lived and worked with the Church in different parts of the Anglican Communion, including south India, Zaire (as it then was) and Uganda. In this talk he'll combine stories from his experience with bits of the story of the Anglican Church worldwide. He will also reflect on the Anglican Communion today and the challenges it faces, and the place and work of our Cathedral within it. And he will ponder the importance of effective cross-cultural communication in our world, which is where the 'highly spiced novelties' come into it...

Canterbury Community Shelter (CCS) - Catching Lives

CCS is a winter shelter for adults who are homeless in Canterbury. The shelter is run by local homelessness charity Catching Lives, in partnership with local churches. We plan to open from mid-December 2024 to mid-March 2025, with space for up to 15 people a night. Catching Lives' paid staff will cover evenings and waking nights, supported by teams of volunteers who cook evening meals, transport bedding, and provide a warm welcome. Catching Lives will be working with the council and other local agencies to help people move on from CCS into more stable accommodation.

Volunteers – can you help?

Kitchen volunteers: cooking and serving a hot evening meal at Catching Lives' Centre on Station Road East. We meet shelter guests at the Centre around 6pm, share a meal, and then staff will walk with guests to that night's venue. **Host volunteers:** welcoming guests as they arrive at the church, providing refreshments and maybe playing board games and chatting to people as they settle ahead of lights out. **Volunteer drivers:** transporting bulky bedding packs between the Centre and churches, ideally with access to an estate car. Needing in the evenings and early mornings. **Contact** For further info or offer support, please contact Tasmin Maitland: tasmin@catchinglives.org

Thursday 31st October 2024: Journeying Together: an Intergenerational Pilgrimage and exhibition workshop

As part of our theme of 'Journeys', and in support of our Cross-Currents exhibition, you are warmly invited to join us for a pilgrimage to Canterbury Cathedral. Suitable for all ages, you can make your pilgrimage as long or as short as you wish - a gentle stroll from Westgate Gardens or the full 10 miles from St Mary's Church, Chilham; half an hour or half a day. Whichever you choose, we would love for you to be involved as we journey together, following in the footsteps of generations of pilgrims. There is no charge to take part. We will start our pilgrimage in Wye, with stops where you can join us along the way (please see below for locations, times, and terrains). The most accessible sections are from St Mary's Church, Chilham to the train station, along the River Stour to Westgate Gardens, and on to the Cathedral. There's something for everyone. Alternately, you can hop on the train and walk just a section, but please do join us in whatever way suits you. We also invite you to gather natural items along the way to mark your journey. At the end of the pilgrimage, you will then have the opportunity to participate in a workshop with Frances Carlile, the artist behind our Cross Currents exhibition to craft these items into your own unique boat, which will be added to the larger fleet inside the Cathedral as a symbol of your day's pilgrimage and the longer journey of life.

Open Home - Sat 5th October 10am-4pm, Sun 6th October 12.15-4.00pm

David Monteith, David Hamilton and Barney the Lurcher have moved into a section of the Deanery. They will host an 'open home' for people from the Cathedral community to visit the refurbished Deanery. Cups of tea/coffee will be provided by Cathedral Lodge including post-eucharist refreshments. We hope that people will enjoy a visit to the Deanery and in return we ask for generous donations which will go towards the Friends of Canterbury Cathedral. The restoration this far has been funded by grants from The Friends and The Cathedral Trust. We are aware that there is much more work still to be undertaken to conserve and renew the Deanery and to bring it into wider use. Please note that it is a personal home and that universal disabled access is not available. No parking is available on site for this event.
