The Friends of Canterbury Cathedral

THE FRIENDS OF CANTERBURY CATHEDRAL are the Cathedral's fan club. We are admirers of the building, its history, and its community, and we help to support the Cathedral and its work.

THE FRIENDS HEAD OFF TO NORFOLK: In June 2027, our Cathedral's fan club are travelling to Norfolk for a short and Friendly holiday. We will be visiting both Norwich and St Edmundsbury cathedrals as well as a couple of stately piles: Blickling and Felbrigg halls. On route to Norfolk, we will stop at Beth Chatto's famous Gardens and whilst staying in Norwich, we will enjoy a guided city tour of England's best-preserved medieval city. Add to this a visit to 'Britain's most comfortable house', the Sandringham Estate – the private home of our First Friend on the Roll, His Majesty the King, and a scenic coastal tour, and we think we will have a cracking Friendly week! INEQE Safeguarding Audit - Please share your views

INEQE Safeguarding has been commissioned by the Church of England to carry out a national safeguarding audit across all dioceses and cathedrals. This audit will help build a clearer picture of our safeguarding practice, culture and lived experience, helping us to look at what we are doing well, and where we can continue to improve. Your voice is an important part of that process. Whether you are a member of the regular congregation, a member of staff, volunteer or those with lived experience - child or young person, victim or survivor - we warmly encourage you to take part and share your honest feedback.

How to get involved

The survey is open now and can be completed online or by using the QR code provided.

Please take a few minutes to complete the survey that is relevant to you eg. volunteer, congregation etc. The surveys are anonymous and confidential. Responses go directly to INEQE's independent audit team and are not seen by the Diocese or by the Church of England. You are not asked to identify yourself, and you can be open and honest in what you share. The deadline to take part is Wednesday 9 September. If you do not know the answer to a question, it is fine to say so. If you have difficulty accessing the survey online, please ask a friend to help or contact us at safeguarding@canterbury-cathedral.org. Thank you your support.

Canon Andrew Dodd to be the next Dean of Coventry

It was announced on Thursday that Canon Andrew has been appointed as the next Dean of Coventry. The new cathedral built by Basil Spence is one of the most important 20th century buildings in England. It carries with its community the extraordinary story of reconciliation when the then Dean placed the bombed out charred timbers in the ruins in the form of a cross and the words 'Father Forgive'. The Community of the Cross of Nails fosters and supports reconciliation work across the world.

Andrew has served as Residentiary Canon and Treasurer with responsibilities for our buildings, carbon zero implementation and creation care, and fostering partnerships with public bodies such as the local authority and the BID. Andrew's final Sunday will be 1st November and he will be installed in Coventry on Saturday 28th November. We offer our huge congratulations and pray for him, his wife Louise and their family as they prepare to leave and start afresh in a new place.

'Climb the Corona' Tour

Wednesdays, Fridays and Saturdays in April - September*

* Tours will run on Wednesdays, Fridays and Saturdays from 22 April to 19 September - except 29 & 31 July, due to closures.

The Corona Chapel was built in the 12th century to house the crown - 'corona' in Latin - of St Thomas Becket's skull, which had been sliced off during his murder and was revered as a saintly relic. Explore the chapel, usually closed to the public, giving you the opportunity to explore the tombs of Cardinal Reginald Pole and Archbishop Temple, and view the wonderful stained glass windows in more detail, before climbing the 95 steps to the top of the Corona Tower itself and experience amazing views across the city in all directions.

This tour offers a unique opportunity to see the city of Canterbury differently - as well as some hidden stone carvings atop the tower. £12 per person, plus Cathedral admission charge.

This is a popular tour; pre-booking advised to avoid disappointment.

Makers, Rulers and Leaders: Celebrating the Women of Canterbury Cathedral

Our summer theme, **Makers, Rulers and Leaders**, is a season dedicated to uncovering and celebrating the remarkable women who shaped the Cathedral's past. For more than fourteen centuries, the Cathedral has risen above the city like a great stone chronicle, its towers etched with triumphs, trials, and transformations. Pilgrims, Kings, Archbishops, rebels, poets; all have walked its worn paths. Woven through these grand narratives is a strong resilient thread: the legacy of women whose influence, devotion, creativity, and courage have guided the Cathedral's evolution in ways both subtle and bold. This summer, we invite visitors to step into their stories and discover these figures who helped shape one of England's most iconic sacred spaces.

This year's programme brings focus to three women whose stories reveal the depth and diversity of Canterbury's past - Archbishop Sarah, Queen Bertha and Queen Elizabeth I.

SPECIAL THEMED TOUR - Queen Bertha's Walk - dates in August & September
