Canterbury Welcomes Refugees

We have three refugee families who are doing very well in making Canterbury their new home. Two families are looking for a man's bicycle each, so that the fathers can start to volunteer and hopefully also find some delivery work around the city. Does anyone have a man's bike in reasonably good condition? We also have a family with a 14-year-old who used to play the piano before they had to flee their home country of Iran. Has anyone an electric portable piano they no longer use, which would fit into their home? They would not have space for a normal upright piano. Please email svenjapowell@live.co.uk

Friends' Event

There will be a FRIENDS' TALK on **Tuesday, 8 October at 10.30** in the Kentish Barn: Pre-Raphaelite Women: Mistresses, Models and Wives. The Pre-Raphaelite Brotherhood is well known. There were many: Elizabeth Siddal, Fanny Cornforth, Annie Miller, Fanny Waugh, Jane Morris, May Morris, Georgiana Burne-Jones, Maria Zambaco, Christina Rossetti, and Effie Gray to name just some. Many were talented artists in their own right. Come and find out more about superstars, bad boys, talents, and Victorian scandal! Brenda Tate-Lovery, former Open University lecturer and Friend, will reveal some of the stories behind the names. £10 Friends, £15 Friends' guests, includes tea and coffee on arrival.

Join us on **Thursday, 17 October at 10.30** in the Clagett Auditorium for another FRIENDS' TALK: The Archbishop's Walking Stick – a Canterbury Journey. Canon Roger Symon's Canterbury journey—more details next week.

Thursday 31st October 2024: Journeying Together: an Intergenerational Pilgrimage and exhibition workshop

As part of our theme of 'Journeys', and in support of our Cross-Currents exhibition, you are warmly invited to join us for a pilgrimage to Canterbury Cathedral. Suitable for all ages, you can make your pilgrimage as long or as short as you wish - a gentle stroll from Westgate Gardens or the full 10 miles from St Mary's Church, Chilham; half an hour or half a day. We will start our pilgrimage in Wye, with stops where you can join us along the way (please see below for locations, times, and terrains). The most accessible sections are from St Mary's Church, Chilham to the train station, along the River Stour to Westgate Gardens, and on to the Cathedral. There's something for everyone. Alternately, you can hop on the train and walk just a section, but please do join us in whatever way suits you. We also invite you to gather natural items along the way to mark your journey. At the end of the pilgrimage, you will then have the opportunity to participate in a workshop with Frances Carlile, the artist behind our Cross Currents exhibition to craft these items into your own unique boat, which will be added to the larger fleet inside the Cathedral as a symbol of your day's pilgrimage and the longer journey of life.

Open Home - Sat 5th October 10am-4pm, Sun 6th October 12.15-4.00pm

David Monteith, David Hamilton and Barney the Lurcher have moved into a section of the Deanery. They will host an 'open home' for people from the Cathedral community to visit the refurbished Deanery. Cups of tea/coffee will be provided by Cathedral Lodge including post-eucharist refreshments. We hope that people will enjoy a visit to the Deanery and in return we ask for generous donations which will go towards the Friends of Canterbury Cathedral. The restoration this far has been funded by grants from The Friends and The Cathedral Trust. We are aware that there is much more work still to be undertaken to conserve and renew the Deanery and to bring it into wider use. Please note that it is a personal home and that universal disabled access is not available. No parking is available on site for this event.
