1. POLICY STATEMENTS

1.1 Canterbury Cathedral is a place of worship and the seat of the Archbishop of Canterbury. The Cathedral’s Mission Statement is ‘To show people Jesus’.

1.2 The Cathedral values and welcomes the opportunity to show artwork which is consonant with its mission statement and strategic objectives 3, 4, and 5 as laid out in the Strategic Plan of 2015-22:

- To conserve and develop the fabric of Canterbury Cathedral, its ancillary buildings, monuments and precincts as part of a UNESCO World Heritage Site
- To be a centre of excellence for education and learning
- To manage the Cathedral, its assets and activities with financial and operational efficiency

And the objectives supported by Chapter through the Canterbury Journey Project:

- To develop ways of better interpreting the Cathedral, its purpose and its history and its fabric to visitors
- To make the Cathedral and its treasures more accessible to visitors, through physical and virtual means and through exhibitions at the Cathedral and through loans to other accredited institutions
- To develop outreach programmes to engage with the local community and beyond

1.3 The Cathedral aims to maintain and build upon its reputation as a centre of excellence for learning and education through an innovative programme of temporary and permanent exhibition of artwork in all media. All artwork must meet the following criteria:

- The Cathedral’s development as a centre of excellence for education and learning
- Appropriateness to the Cathedral’s ethos and setting
- Compatibility with the Cathedral Diary and existing programmes
- Support the implementation of The Canterbury Journey Project and Activity Plan
- Develop and engage new, diverse and hard-to-reach audiences
- Positively promote the Cathedral its historic collections and heritage
• Cathedral’s capacity and availability of resources

1.4 The Cathedral encourages dialogue with established and emerging artists of exceptional and evidenced talent and creative skill.

1.5 The Cathedral seeks art which can elicit wonder, and even unsettle and ask searching questions about human nature and the world in which we live.

1.6 The Cathedral values art which opens up for the viewer new or forgotten horizons of meaning and which invites reflection.

1.7 Artists should be aware of both the opportunities and constraints of exhibiting and installing artworks within a place of worship and of pilgrimage.

1.8 Canterbury Cathedral supports the Arts and the work of artists in a number of ways including:

• Commissioned artwork
• Artist’s residencies (Activity Plan)
• Creative projects and collaborations (PPF1 – agreement)
• Exhibition space (enquiry form with criteria – exhibitor’s agreement)
2. COMMISSIONED ARTWORK

2.1 Guidelines

i. In selecting an artist for a specific commission, the Cathedral may proceed on the basis of a recommendation, or invite a number of individual artists to present their portfolios and images of their work.

ii. In some cases it may be necessary for the Cathedral to produce a liturgical and theological brief to support the artist and satisfy the wider Cathedral community and stakeholders.

iii. The consultation process should be designed and handled in a way which enables a dialogue between artist and the Cathedral.

iv. The Artist’s insights and responses to the designated space must be heard and communicated to the Cathedral.

v. An early site meeting is essential to facilitate the process and set the tone of the dialogue.

vi. Full consideration needs to be given to the Cathedral’s existing and target audiences including sensitivity and accessibility.

vii. Proposals will not be considered which are deemed to be detrimental to the fabric of the Cathedral, its fixtures, fitting and environs.

2.2 Procedure

2.2.1 The Arts Committee is responsible for receiving, processing and initial selection of artists and artwork. Final selection and decision lies with the Dean.

2.2.2 The following bodies may need to be consulted in some cases, these include:

- Chapter
- Fabric Advisory Committee
- Cathedrals Fabric Commission for England
- Historic England

2.2.3 Enquiries should be sent by e-mail to learning@canterbury-cathedral.org. All e-mails should be entitled ‘to the arts committee’ (in the subject box of the e-mail).
3. ARTIST RESIDENCIES

3.1 Guidelines

i. Selected artists are required to respect the day-to-day rhythm of the Cathedral and its community
ii. The parameters of the residency will be set out within the Exhibitors’ Agreement
iii. The art work should be made of good and durable materials
iv. As a quality benchmark, the final produced work should be of a comparable standard to the best that is produced by the Cathedral’s creative staff working in stone, wood, and glass
v. The art work itself should enhance the visitor’s engagement with and appreciation of the cloisters, gardens and monuments in the curtilage of the Cathedral building
vi. Residencies are not funded by the Cathedral
vii. The Cathedral will support a residency by providing access to spaces, resources and audiences

3.2 Procedure

5. EXHIBITION SPACE

5.1 Guidelines

5.1.1 Although our aim is to be flexible in handling requests from artists to display their work in the Cathedral and Cathedral Precincts, attention does need to be given to the checking of requests for the display of art works against the principles set out above in this policy, and with consideration of the worship life, hospitality, and fabric of the Cathedral.

5.1.2 Any art work should be placed in the Cathedral with regard to the primary purpose of the building as a place of worship, prayer and pilgrimage. The Cathedral is not a gallery, and due regard should be given at the design stage of the work as to how it may complement and enhance the liturgical space.

5.1.3 A work of art should neither intrude into sacred space, nor impede the flow of visitors and pilgrims around the Cathedral.

5.1.4 Exhibitors should be aware that not all proposals for exhibiting artwork at the Cathedral will be approved for display.

5.1.5 All those wishing to exhibit artwork at the Cathedral should consider the following:

- The art work should be made of good and durable materials. As a quality benchmark, the final produced work should be of a comparable standard to the best that is produced by the Cathedral’s creative staff working in stone, wood, and glass.
- The art work itself should enhance the visitor’s engagement with and appreciation of the cloisters, gardens and monuments in the curtilage of the Cathedral building.
- Exhibitors are required to respect the day-to-day rhythm of the Cathedral and its community

5.1.6 Ordinarily, art exhibited in the Cathedral will not be displayed for sale.

5.2.5 Following an enquiry, all official applications to exhibit artwork in the spaces of the Cathedral, Chapter House or the Precincts, must be made on the agreement form supplied by the Cathedral.
