

Authorised Listeners

The 'Authorised Listeners' scheme was initiated in response to the House of Bishops Safeguarding policy '*Responding well to those who have been sexually abused*'. Authorised Listeners are part of the wider action of the Church and of the Cathedral to make sure that it is ministering to those affected by sexual abuse.

The Cathedral has appointed qualified counsellors and practitioners as 'Authorised Listeners', who are available to meet with anyone who needs an attentive and attuned listening ear to help them to talk about current or past abuse of any nature. Male and female listeners will be available for up to four sessions, free of charge.
